## **Orthopedic Practice Announces Name Change To Rezin Orthopedics and Sports Medicine**

(page two)

The new name reflects the practice's commitment and leadership in sports medicine care. Rezin Orthopedics and Sports Medicine serves as team physicians for area high schools and colleges, and offers a sports medicine program for all area athletes that entails prevention, strength and conditioning, rehabilitation, athletic enhancement, student trainer program and preseason physicals.

“With people of all ages becoming more and more active, sports medicine has become an increasingly vital medical specialty,” says Rezin. “We want our new name to highlight our focus on sports medicine.”

Rezin Orthopedics and Sports Medicine provides expert, innovative care for sports injuries and all orthopedic conditions affecting the shoulder, elbow, hand and wrist, hip, knee, foot and ankle, and back. Its staff comprises physical therapists, athletic trainers, podiatrist, physiatrist and specialty-trained orthopedic physicians.
