

REBECCA JOHNSON, PA-C

Dear Patient,

First, thank you for choosing Rezin Orthopedics & Sports Medicine for your orthopedic care. I would like to take this opportunity to welcome you and tell you more about myself and my experience in healthcare. In 2004, I graduated from Butler University with a Bachelor of Science in Health Sciences, Physician Assistant Studies. I then went on to University of Nebraska Medical Center in 2009 for my masters of Physician Assistant Studies.

As a Physician Assistant for Stephen Treacy, M.D. it is my responsibility to provide a broad range of medical services. I work with Dr. Treacy to provide patient care both independently and collaboratively in clinic and also assist with surgery. You may see me prior to surgery for a history and physical, after surgery while you're in the hospital and in clinic for post-operative visits. I also assist Dr. Paul Sauer with surgery as needed.

Currently, I am a member of the American Academy of Physician Assistants, as well as the Illinois Association of Physician Assistants. I am also a member of the Academy of Physician Assistants in Orthopedic Surgery.

In my spare time, I enjoy spending time with my family and friends, traveling, working out and music.

I see patients in Morris, Joliet and Plainfield office locations.

I look forward to meeting with you!

Sincerely,

Rebecca Johnson PA-C
