

SARA JURGENS, PA-C

Dear Patient,

First, thank you for choosing Rezin Orthopedics & Sports Medicine for your orthopedic care. I would like to take this opportunity to welcome you and tell you more about myself and my experience in healthcare. In 2006, I graduated from Northwestern University in Downers Grove, Illinois with a Masters of Medical Science in Physician Assistant studies. I completed my undergraduate degree at St. Ambrose University in Davenport, Iowa with a Bachelors of Science in Biology, with a minor in Chemistry. In addition, I served as a Certified Nursing Assistant for three years. I have a subspecialty in Geriatrics and bone health.

As a Physician Assistant for Raghu Pulluru, M.D. it is my responsibility to provide a broad range of medical services. I work with Dr. Pulluru to provide patient care both independently and collaboratively in clinic and also assist with surgery. You may see me prior to surgery for a history and physical, after surgery while you're in the hospital and in clinic for post-operative visits.

Currently, I am a member of the American Academy of Physician Assistants, as well as the Illinois Association of Physician Assistants. In my spare time, I enjoy gardening and traveling.

I see patients at Rezin Orthopedic and Sports Medicine locations in Morris, Ottawa, Joliet, Bolingbrook and Plainfield.

I look forward to meeting with you!

Sincerely,

Sara Jurgens PA-C
