

# SUSAN KOEPE, CNP

Certified Nurse Practitioner

Dear Patient,

First, thank you for choosing Rezin Orthopedics & Sports Medicine for your orthopedic care. I would like to take this opportunity to welcome you and tell you more about myself and my experience in healthcare. I obtained my LPN (Licensed Practical Nurse) from Illinois Valley Community College and my RN (Associates Degree in Nursing). From there, I went on to the University of Illinois in Springfield where I received my Bachelors of Science degree in nursing. I also obtained my masters in nursing and became a family nurse practitioner from Mennonite College of Nursing. I received my Nurse Practitioner Certification through the American Nurses Credentialing Center.

As a Certified Nurse Practitioner for Dr. Keith Rezin, M.D. I provide a broad range of medical services; from diagnosis and treatment to patients in clinic, to first assist in surgery. You may see me prior to surgery for a history and physical, after surgery while you're in the hospital and in clinic for post-operative visits. In addition, I offer a presentation to total joint replacement patients scheduled for surgery.

Currently, I am a member of the Illinois Society for Advanced Practice Nurses. In my spare time, I enjoy golf, bike riding, traveling, piano and gardening.

I see patients at Rezin Orthopedic and Sports Medicine's Morris location.

I look forward to meeting with you!

Sincerely,

Susan Koepe, CNP
