Rezin Orthopedics and Sports Medicine Raises Money at Orthopedic Open for United Way of Grundy County

September 23, 2009 – Rezin Orthopedics and Sports Medicine held its 6th Annual Orthopedic Open at the Nettle Creek Country Club on Friday, September 18th, 2009. The proceeds from this year's event were donated to the United Way of Grundy County.

The Orthopedic Open is designed for patients who have had total joint replacements with Rezin Orthopedics. The day celebrates these patients with golf and dinner, at no charge to the patient.

“We have a lot to celebrate when we look around at our patients who are enjoying active, healthy lives,” Dr. Keith Rezin, founder and president of Rezin Orthopedics and Sports Medicine said.

With over 85 golfers and 170 guests for dinner, Rezin Orthopedics and Sports Medicine has assist thousands of patients with total joint replacements.

A community sponsored event, Rezin Orthopedics and Sports Medicine was able to present Mike Carey, President of the Board of Directors with United Way of Grundy County, a check for \$2300 toward their annual campaign.

Kelli Walker, Executive Director of United Way was thrilled with the commitment Rezin Orthopedics and Sports Medicine has made to United Way of Grundy County.

“We are just so thankful for the partnership between United Way of Grundy County and Rezin Orthopedics and Sports Medicine,” Walker said. “Rezin Orthopedics staff plays such an active role in making our community a better place to live; we share that mission.”

With the money donated, United Way of Grundy County along with the generous support of many community partners is able to support many services to the community.

“We are able to make an impact in the lives of our residents (28,000 last year used United Way programs) thanks to the ongoing, generous support of community leaders,” Walker said. “In this difficult economic time, the funds raised by the Orthopedic Open are going to go a long way in touching many lives in need.”
